Modular Restrooms

Panel Built Can...design, manufacture, and install restroom facilities to meet your specific needs. Available in a variety of layouts and finishes, a Panel Built modular bathroom can be shipped in a "knocked-down" or as a pre-assembled unit ready for final electric and plumbing toe-in. Ideal for remote location maan-camps, military barracks, or just added restrooms within your current facility. The restrooms are available with all necessary accessories.

Available Accessories

- Urinals and Toilets
- Shower and Sinks
- Lockers and Partitions
- Soap and Towel Dispensers
